Precinct committeepersons represent their party’s voters within their precinct. Working with their party’s Central Committee, they are the grass-roots base for the political party’s activities. They may help their party’s candidates, organize fund-raisers, and may help introducing candidates to voters in their precinct. Precinct committeemen are usually a good source of information about their party’s candidates.

**How to Find Your Candidates**

1. **Find Your Precinct**
   - On-Campus Residents’ Precincts
     - Watterson Towers - Normal 08
     - Tri Towers - Normal 30
